James is the CEO of allreseller.com. We started allreseller this summer of 05.

What Is Your Name And Title ?
james oulman, CEO

Please Give Us a Brief History Of Your Company

We started allreseller this summer of 05, we had acquired numerous other webhosts and decided to name brand our own. We took the best features of the other 20 companies we bought and merged them into 1. Allreseller has dominated the reseller industry since its birth.

What Are Your Target Markets ?

Small to midsize market resellers, home based multi-site owners,

What Are Your Strengths ?

Pricing, support, add on features,

What Makes You Different To Other Hosting Companies ?

We provide top notch support, we give them extra scripts, manuals to learn how to succeed there business, without there success we cannot achieve ours.

How Do You See The Web Hosting Market Changing In The Upcoming Few Years ?

Mass merging, consolidation. This industry is 11 billions dollars and 55k hosts fighting for there peice of the pie daily.

Where Will Your Company Be In 5 Years ?

We will be at 10k resellers, 3000 shared customers holding a 2-3% reseller market .

Why Should Somebody Choose Your Company Over Another Host ?

Our honesty, support, backbone structure of our company.
